

People of God:

The cover of this week's bulletin features our new logo representing our entire Parish: St. Joseph Catholic Church and School. We are indeed one community of faith guided by the Holy Spirit and we live the message of Jesus Christ both in Church and in our School. Our school is an important part of fulfilling our Mission Statement in forming Disciples as we have an opportunity to help our students to do just that: Be Disciples!

We set forth to have a logo that portrayed our Parish as one that would be recognizable to all parishioners whenever it appears. It reveals the identity of our Catholic Faith, the strength of our community, and a visual reference to St. Joseph, as well as signifying that we are both a House of Worship and an Academic School. It is our intention to embrace the history of our Church and School while continuing to evolve with new traditions which will be part of the future history of both our Church and School.

As we continue to grow in faith together, it is our hope that this new logo will represent the commitment to faith, education, and forming Disciples that resonates in the mission of our Church and our School.

Thank you for prayerful support.
